Dear Minister

On behalf of Brisbane Central Business District Bicycle User Group (CBD BUG) members I wish to convey our congratulations and appreciation to you and the Federal Government for partnering with Brisbane City Council to fund the delivery of the Kangaroo Point Green Bridge.

During our December 2024 General Meeting CBD BUG members unanimously supported formally acknowledging the contribution of the Federal Government in delivering this major new active transport infrastructure.

The counters displaying the volume of people using this bridge every day to cycle, scoot or walk across the Brisbane River already testify to the success of this project. It makes Brisbane an even more livable and sustainable city and will benefit Brisbane residents for many generations to come.

We thank you again for partnering with our local council to deliver this new bridge.

Yours sincerely

M Doolan
